

Sphere of Influence quadrants - the Valentine edition

I Love you because...

				
	I recognize myself in you.	You care about the people around you.	I can always count on you.	You always help me accomplish my dreams.
	You encourage me to be myself.	With you I can be myself.	You are always there for me no matter what.	You make all my wishes come true.
	You're the calm in the storm.	You cheer me up when I feel down.	We understand each other so well.	You push me to be better.
	You always put things in perspective.	You never give up on me.	You always keep your promises.	I am me when I am with you.
